

# K-12 Schools Solar Star PV Systems Program

## Solar Star Foundation (SSF)

P.O. Box 155, West Dundee, IL 60118

Email: [solarstarfoundation@gmail.com](mailto:solarstarfoundation@gmail.com)

## APPLICATION FORM

Please print clearly, type or download from [www.solarstarfoundation.org](http://www.solarstarfoundation.org) to complete and print form electronically.

School to be awarded grant of **Solar Star Foundation (SSF)** must agree to fulfill the following obligations:

- accept full ownership of the selected hardware components that comprise the PV system;
- maintain the PV system and real-time data internet connection in working order;
- teach about solar energy in one or more classrooms during school year and implement online monitoring of real-time data on PV system electricity generation, via [www.solarstarfoundation.org](http://www.solarstarfoundation.org).
- finish annual survey as attached;
- prominently acknowledge the participation of SSF in this project in all press release, publications and promotional materials presented to the media;
- open to SSF visit upon reasonable notice;
- pictures of this project allowed to be used on SSF materials.
